Presenter: Karla Bellinger, D. Min.

**Founding Executive Director, Institute for Homiletics
University of Dallas**

Karla Bellinger is a resident of Niles, MI, and travels frequently as a speaker and presenter on good preaching as an essential component of a healthy parish life. For parishioners and families she offers fresh insights into the Advent and Christmas season. Along with her husband Daniel, Karla joined the Catholic Church at age 21 while they were students in the Diocese of Raleigh, NC.

She is the author of *Connecting Pulpit and Pew: Breaking Open the Conversation about Catholic Preaching*.

Fr. Fabio heard Karla when she spoke to the priests of our diocese about preaching and has wanted from that moment to share her with our entire parish community.

Plan to attend! Bring the kids, in-laws, neighbors. Don't miss this rare opportunity to boost your Advent experience this year!

All are Welcome!
